## VERSES:

17 Ab(add2) Bb Cm7 Gm7

Bro - ken bo - dy, poured out Spi - rit. It's Your bo - dy we be - come.  
By Your life that we re - ceive here, we're em - po - wered and trans - formed  
May this Eu - cha - rist now teach us, as Your bo - dy, as Your bride,  
May we, like Your mo - ther Ma - ry, bend the knee to Your own will.  
Loose Your Spi - rit's fire a - mong us. Purge the sin that ails our heart.

21 Ab(add2) Bb Eb/G Bb(add4)

"Eat my flesh and drink my blood." True com - mu - nion with Your Son.  
To go forth pro - clai - ming free - dom; spea - king life to all the world.  
to be poured out, to be bro - ken, as the blood flowed from Your side.  
Though through sin and shame we stum - ble, use us for Your glo - ry still.  
By the po - wer of Your Pas - sion in Your love we play a part.

You have overwhelmed our hearts, Lord;  
You have changed us from within;  
Satisfied our thirst and hunger  
With Your grace that cleanses sin.

Driven by your life-blood in us  
We can stand and follow You:  
Now forsaking worldly value,  
Living lives that honour You.
