The Bread of Life, given for man

C^(hang) /Bb C

Blessed be our God forever more

We bless You Lord, for this gift of wine

Fruit of the earth, work of human hands

By Your Word, this gift is made

Your Life-Blood, poured out for man

Blessed be our God forever more

We bless You Lord, for all the gifts of life

We work with them, to make the world with You

By Your Word, all things converge

All formed in Christ, all made anew

Blessed be our God forever more
